Re: Usa v AGRON HASBAIRAMI
Docket sheet no: 11-cr-623 (JG)

Dear Sir/Madam

In the response of your office dated Nov. 25th 2013 I found a copy of Docket sheet, in the mail. However there is no response at all, nothing regarding my request.

The motion with docket entry no. 55 is totally different thing. Also there is no chance that the mail that I send on 7/26/13 to be sent to court and filed in the same date. As I have mentioned before I have filed a SENTENCE VACATION MOTION. Please, provide me with detailed information regarding it.

Respectfully

A. H.
